

*"I can only speak for my kid, but this was an amazing experience for him! He learned a lot from the diverse films, and he gained so much self-confidence from the positive feedback and experience answering audience questions." – mother of **Launch** winner*

CALL FOR ENTRIES:

The Ashland Independent Film Festival (AIFF) is accepting entries for the 2019 film festival (beginning September 3, 2018). This will be the 14th year of our **Launch** Student Film Competition. Winners have included students just like yours, from Sutherlin High School to Southern Oregon University to your neighborhood elementary school. Winners from past festivals can be viewed on our [website](#).

Launch is a FREE contest for Siskiyou Region student filmmakers—anyone residing in the following counties: Coos, Curry, Douglas, Jackson, Josephine, and Klamath in Oregon; Siskiyou and Del Norte in California. Winners will have their film screened during the 18th Annual Ashland Independent Film Festival, April 11-15, 2019, receive a Filmmaker Pass to all films and special events, interact with peers and filmmakers from around the world, and participate in Q&A's after the screenings.

Many teachers use the **Launch** in their curriculum to discuss the artistic and technical aspects of creating and editing a film along with the real world experience of meeting deadlines, completing application forms, and more. This project also qualifies for the "Career Related Learning Experience" required for High School Graduation. Please contact us to schedule a class presentation visit this fall. Students do not need to be part of a video or media class to enter. Projects for History or English class using the medium of film have been accepted, but films are not required to be part of a class project.
